

How to download and save Discovery Education Streaming Videos (formerly United Streaming)

1. First you need to create a folder on your computer to save the videos to:
 - a) Double click on “My Computer”
 - b) Double click on the “C” drive
 - c) In the left column, click “make a new folder”
 - d) Enter the name of the folder you want to create (ex. Videos)
2. Once you locate the video you want to download on the Discovery Education Streaming Video website, click the download icon. 
3. A file download box will open
4. Choose Save
5. In the Save in box use your mouse to pull the arrow down and choose the C drive and then the Videos folder.

To show the video, navigate to your Videos folder by following steps a) and b) above, then double click on the Videos folder. Double click on the movie file to open and play it.
